Congratulations on taking the first step in purchasing a Taylor Made Yorkie. I am committed to selling you a healthy, socialized puppy.

When Taylor Made Yorkies has a puppy for you, a \$400.00 (four hundred dollar) deposit is required. Should you change your mind for any reason up to the 6th week of life, Taylor Made Yorkies will reimburse you 50% of the initial deposit. In most cases this is \$200.00. This deposit is only refundable up to the 6th week.

By the 6th week of life, you are required to visit your pup and at that time, half down of the remainder is due. This amount will vary from pup to pup and is determined by Taylor Made Yorkies. You may pay by check. If for some reason you are unable to make an onsite visit during this timeframe, please notify me and Taylor Made Yorkies will send you an updated picture of your pup. If your payment of half down is not received by the 7th week of life, the puppy will be resold. There will be no reimbursement of any monies. You will be notified by email or phone of your default in this contact.

On the day of pickup of your puppy, usually around 12 weeks of life give or take a week or two, depending on if the puppy is "ready" to go to their new home (this decision is determined by Taylor Made Yorkies exclusively for the welfare of the puppy), the remainder balance is due.

NO CHECKS OF ANY TYPE WILL BE ACCEPTED ON THE PICKUP DATE.

Cash only is accepted. You may within 10 days of the pickup date pay by check. The check has to be cleared prior to you taking the puppy home.

Taylor Made Yorkies is not a "pet store" with a revolving door. I expect all families that have verbally committed to a purchase to continue with that commitment for a lifelong forever home. If you are thinking about purchasing of one of my beautiful, healthy Yorkshire Terriers, please keep this in mind. I understand that circumstances happen, sometimes beyond our control and I will treat these situations individually.
